WHO WE ARE

DEPOT is Cardiff's ultimate warehouse events space - a natural home for festivals, screenings, themed parties, live music and so much more. We've been hired by industry leading businesses to deliver corporate events, beer festivals, catwalk shows - and even international film shoots.

Since 2015, we have been creating exciting new events of our own; from **Taylor Swift Appreciation Night** and **Oktoberfest** to **Rum & Reggae all-dayers**, **Pizza & Prosecco** and our Friday night sell-out, **BINGO LINGO**. We continue to create and innovate, and are proud to be part of Cardiff's booming creative scene.

Our warehouse venue is perfect for bringing your event to life. No project is too big or too small. We've worked with major film studios, held awards dinners for 800ppl, organised staff socials for big businesses, produced product launches, facilitated wedding trade shows and everything in between.

DEPOT 3.0 is our third venue move since opening in 2015. It has more capacity, an upgraded PA system, a new lighting rig and large backstage areas. The **DEPOT** events team can help make your event memorable with exclusive **BINGO LINGO** shows, **The Pub Quiz** and even resident DJ hire.

THE MAIN SPACE

Main Space is the signature space of **DEPOT** with a fully stocked bar. With seating for up to **1200** on trestle tables & benches, it is the perfect space for awards ceremonies, conferences and staff socials. The fully equipped stage with lighting rig, AV facilities and PA system can be used for everything from speeches to live bands. There is access to a large covered smoking area which can be used for street food vans, plus ample backstage and green room facilities.

TREESIDE

Treeside is an intimate space suitable for up to **150 guests** standing. It is home to 3 in-house caterers and a cocktail bar, all of which are housed inside shipping containers. Suitable for; meetings, networking events, private celebrations. The fabulous tree installation and impressive bowser walls can be lit in any colour to compliment your event.

This space can be booked exclusively on **Sunday - Thursdays**. Alternatively it can be used as an additional room when hiring the Main Space. Suitable for catering and breakouts. Note: the 2 rooms are not sound-proofed from each other.
